EIGHT PAGES.

INDEPENDENTS . IN BIG MERGER.

Three Large Coke Companies Have Entered the Combine.

Cake Into the Merger on Fair Basis Statement of Interested Operator

The Week ty Courier of this week predicted that a coke merger miovement was tikely to be made in the near future there being a strong teeling amorg Connellaville operators that the situation would never be sue essimily and satisfactorily controlled upra this was accomplished. The merger nove

ce's beyond question.

The open units in white city has for he independent call of the independent of the independent of the independent call of the independent of the independe

the permit this company to the the holdings of all the depend at cole to be made and so that the depend at cole to the first state to be the constitution to making a stitution in the first state to make the constitution to the first state in the first state to make the constitution with the presentation of the constitution with the presentation of the constitution with the constitution of the constitution with the constitution of the constitution o

W Borleau and others said a plom ment independent operator in com nenting on the above today tet l don't mind confessing that we have since that time been trying to kick ourselves. It looked last fall as if we AMPLE CAPITAL IS READY distributed any merger as the Couler has aptly said the sun of prosper ity was shining and we doint think To fake All Indeppendent Companies the roo needed mending but it has in Connelisy lie Regions Making Good been a chill) do ynnour of disheartening conditions ever since and no financial carpenter to mend the roof. Many in dependent operators will welcome this poportunity to get in out of the with especially under the assurance that they will be treated like friends and brothers '

BRIAR HILL PLANT 3 WELL EQUIPPED.

Coke is Manufactured There With Modern Appliances.

Improvement Over the Old Wooden Structures-Town Is a City in Min

The Briai Hill plant of the Briar Hill Coke Company is last coming to the front as one of the craca coke works of the legion. This lant is sit unted about a mile northwest of Rejublic on a bronch of the Vononga Fela lailroad and is stronded by excellent farming kinds. There are one last the mistoriume of his control of the Common control of the Commo bela saltroad and is a rounded by excellen farming linds. There are one double and two single blocks of ovens but tentirely of block stone. The code runs are also of block stone and are level with the common and are runs are also of blook stone and are level with the 1005 of the railroad tars a labor saving convenience for the railroad tars and proper saving road point. the coke worker. Another good point is the excellent fail oad track, ser

The shall head from e is built of concrete and steel and is an imposing still cutter far more cleanly than the old mooden head from same than the old mooden head from the mine.

A large new water tank is being built at his clift of the common of the present block and will undoubted the common of the present block and will undoubted the common of the present block and will undoubted the common of the present block and the present block and will undoubted the common of the present block and will undoubted the present block and the present block and will undoubted the present block and the present b

plant is located just off the shaft and the mine cars and nating machiner are repaired here. The engine house is apart from the rest of the bulldungs one of the crowing tratules of a cok-

plant
To the left of the eigine house is the compressor and elect ical plant. Threeingersoll Rand compressors are use alled and two dynamos for running the various machinery and to lighting. To the right of the spaft is the boller house equipped with all the la est in proved machinery. There are also a tangements for hong the toolers with the heat from the ovens. A small pumping plant is located at the boiler

Birst Hill is a city in mina are. A large brick school house clurch and many small stores are located near the works and the e nie kept next and true which adds greatly to the beauts of the town

A separator was recently added to the equipment of this plan. It sept rates the water from the team that runs the engine and the water which alwaya gathers in siein, mies wher they so any distance. It is is taken out of the tipes and keeps probable trouble from the engine unning

The Standard of Quality

Harbison-Walker Coke Oven Brick What Does It Mean?

It Means MAXIMUM SERVICE.

The same careful selection of raw materials, the same attention to every detail of manufacture that has made the Harbison-Walker product the standard for the Blast Farnace, the Open Hearth, and the By-Product Oven characterizes their output for the Rectangular and the Beenive Oven

It means delivery when you want it, the filling of every order on a personal basis.

It Means MINIMUM COST. **(2)**

Look up NOT your price per thousand Brick but your refractories' COSTS for repairs, (including breakage in transit and unloading) per ton of Coke. A sew annutes with your cost sheets will show the best is the cheapest Let us take it up with you in detail

A NEW RAILROAD IN WEST VIRGINIA.

Charter Issued Last Week Cause of Speculation.

IT ENDS

Extending From Rivesville-Incorpo Buckhannon & Northern-Other the Oliver plants Roads May Be Interested.

MORCANTOWN, June 5 -A charter was granted Saturday to the State coke towns and s always well filled Line & Southern Railroad Company of Fairmort the purpose of which is to huld a railroad from Rivesville to the State line at or nea Point Marten
The incorporators are Simuel D
Blowing In Owing to a Shortage of
Brady, chief engineer of the Buck
hannen & Agrinera H M Sbrader
Fit the end of the curtailment

the Buckbannen & Northern

ed about the 16% charter. He stated that he knew nothing of the plans of the new raifroid company and sug duction below the consumption into gested that Colone' Scholmmaker be of iron and a shortage was actually three ined.

Cul-1 at Pittsottg
Colorel Schoonin, ker stated that the application for the charter of the State Line & Southern Lailroad Company
nad been made by Vice President Friends of Dr J A Holmes Are Hugh I. Bond of the Baltimor & Ohio Railroad Company prough Mr Brady When asked why the charter should be granted p employes of the Buckhan pranted o employes of the Euckhan non & Northern, Colonel Schoonnak er stated that Mr Brads and fit quently done work for the Baltimort & Ohio which has a one fourth interest in the Little Kanawhi Sy dictie. The Pittsburg & Like Cine owns half of the stock of the syndicate and the Pennsylvania the other founts.

Colonel Schoonnaker stated hose incommission in 1907. Dr. Holmes 1 favored by the bitum incommine operators of the Pittsburg.

Colonel Schoonwisker stated how ever that the Pittsburg & Lake Little district life has he endorsement was not a first to the application and had no interest whatever in the new company. He had no idea as to the motive of Mr. Bond in securing the charter for the proposed State Line & Sout icrn (adroad

Tell your peopl that the naw tom road will be built as ripidly as possible continued the speaker

Major Brads s reference to Colonel tionally well this year choopmuler and the laters state have wen Schoonmaker and the laters state ment seem rather confusing Since the B & O secred the charter it would seem that the Perkersburg man would have reterred inquires to the would have reteried inquires to the Baltimore office instead of to Coonel Schoonmaker. According to a rivert given out at Charleston the object of the company is to harry the construction of the line from Rivesville to the State line. The incorporators are keeping mum in connection with help new enterprise and it will nobably by the coordinate of the line of the line of the line of the line from Rivesville to the State line. The incorporators are keeping mum in connection with help of the line new enterprise and it will nobably be several dr,'s beto e any definite state NOTES FROM

ment will be made

A dispatch was sent out from Bal
timore Pebruary 2 rd to the check that
the Baltimore & Ohno the Pittsburg &
Lake Eric and the Pennsylvan tilres
had completed arrangements for the
construction of a line from Fairmont
to 4 pc ut at or near the State line
The new rold vas to be about 0 index
in length and would cost approximate
in length and would cost approximate
is \$20,000,000 to hilld it seems as dent.

GOOD SERVICE

Given Coke Towns in Southern End by Trolley and Railroad.

A trip to Uniontown from Browns ville up the P V & C is well worth the price. The courty along this route is all fire furning country, the surface not being thrown in as in the old unites of the region Almost every corded good passenger service. Many prets, little coke to the are located along this branch. Among some are Braznell Grinds out Smock Walters AT PT. MARION burg lances Wills and Three Station and the various cole towns located at the coke works
Along this branch are located such
